Dear Ms. Kelly:

Thank you for calling our attention to the over-contribution made to Friends of John Peterson by Mr. David Kiehl on October 16, 1998.

As we discussed on the telephone, our policy has always been to make refunds or re-designations as soon as possible in such instances. Our computer software generally catches such overages and I do not know why it missed this one. We will make every effort to do a more thorough job of manually checking our schedule "As" in the future.

Enclosed is a copy of the refund check to Mr. Kiehl, along with a copy of the letter that accompanied it.

My apologies for any inconvenience this matter may have caused. Please contact me if you need any more information or have further questions.

Sincerely,

Richard L. Wiles
